

There's Strength in Numbers

Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for small businesses who are members of a qualified Chamber of Commerce, like ours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates – and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative. It's called the Chamber Benefit Plan and it's just one of the many advantages of joining our chamber.

Powered by the Missouri Chamber Federation and administered by Anthem Blue Cross and Blue Shield, the Chamber Benefit Plan is available to small group employers in Missouri who are members of a qualifying Chamber of Commerce and have 2 to 50 eligible employees.

Advantages that make a real difference:

- › Competitive, medically underwritten rates
- › A variety of plan designs, including 10 PPO and three HSA options
- › Additional savings for dental, vision, life and/or disability coverage
- › Fixed, predictable monthly payments
- › Money-saving SmartShopper program for members
