Paris Pharmacy is a locally owned, hometown family drugstore.

Jason Dodge, Pharm D. & Katie Dodge, owners, have been in business since 2010. We not only offer prescription services, but also stock a variety of over-the-counter health & self-care items. We specialize in nursing home and long-term care facility services and currently work with six different facilities in the area.

Inside our pharmacy, we also have a unique gift & boutique front end where we work to bring on-trend, top quality home décor, greeting cards, jewelry, clothing, and gifts for babies and children. We are pleased to provide baby and wedding registry services as well.

We pride ourselves on providing excellent service to each and every one of our clients and customers. Our knowledgeable and friendly staff strive to be the best, because that's what you deserve.
